

Job Summary:

Reporting to the Project Manager, the selected candidate will work closely with our team. This is a full-time permanent position, with an hourly rate which is based on ability and experience. A company vehicle (for travel from office to jobsite) and all tools will be provided. We offer benefit options after a waiting period.

Responsibilities: *(May perform any of all the following)*

- Provide assistance to the Project Manager, Site Supervisor and sub trades on the job site when required.
- Complete general construction work including but not limited to demolition, minor concrete work, framing, drywall, insulation, painting, flooring, and other specialized construction processes as required.
- Manual handling of supplies, equipment, and construction materials.
- Read and interpret instructions, specifications, and CAD drawings.
- Operate and maintain, equipment, hand, and power tools safely and accurately.
- Follow proper safety policies to maintain a safe working environment.
- Maintain a clean, safe, and organized work site.
- Maintain daily communication and records of daily construction activity.
- Assist with communication between sub trades and labourers.
- Travel to job sites throughout Ontario.

Required Skills and Abilities:

- Three (3) years or more of renovation and construction experience.
- Strong carpentry skills, general trades, and interior finishing experience.
- Must be able to lift 50lbs repetitively.
- Excellent organizational and time management skills.
- Strong verbal and listening communications skills.
- Ability to work in a fast-paced environment.
- Ability to work as a team or unaccompanied on various tasks.
- Valid G driver's licence with a clean driving record.

Benefits:

- Company vehicle (from office to jobsite).
- Tools, mobile phone and equipment provided.
- Group health benefits (after probation period).

Schedule:

- Monday to Friday.
- Weekend availability.
- Mostly Nights and some Days.
